Dear Dr. Shri Jayashankarji,

Several representations received from Kannada Organisations representing Gulf countries that in the recent Schedule issued by AIR INDIA Express no flight is scheduled from Kuwait, Dubai, Abu Dhabi and Qatar to the state of Karnataka. In the last schedule also there was no flight to Karnataka, after my request to your good self you have considered three flights from Gulf countries to Mangalore and Bangalore.

Thousands of Kannadigas are stranded in gulf countries, those are immediately required to repatriate to Karnataka, India. All these persons are fulfilling the conditions of preference guidelines issued by the embassies in GULF countries, i.e Pregnant woman, Medical Back ground, Students, Visa expired, Job losers,

During my last meeting we both discussed about the same issue. I shall be great full if you could personally intervene and instruct the concerned in arranging flights to Mangalore/Bangalore from Gulf countries in the existing schedule itself.

With regards

Yours Sincerely
