

To,

Minister, External Affairs
Govt. of India

Date: 13th May 2020

Dear Sir,

Sub: Request for more flight to Karnataka

We have been waiting for the flight to India from lock down which started from 15th March 2020 in Riyadh (KSA). We had hopes when evacuation plan announced, but in Phase I there was no flight to Karnataka. We were hoping to have flight in Phase II. In this phase there is a flight from city Dammam. We have more number of people in Riyadh. Below is the Phase II schedule which we have received.

Sector	Scheduled date
Riyadh – Kozhikode	May 19
Dammam - Kochi	May 19
Riyadh – Kannur	May 20
Dammam– Bengaluru - Hyderabad	May 20
Jeddah – Vijayawada -Hyderabad	May 20
Riyadh – Hyderabad - Vijayawada	May 23

Our Request:

1. Put more flight to the KSA region (since there are more than 60,000 applied for repatriation we don't have data how many from Karnataka are in this). This will help everyone.
2. Allow people from Karnataka to travel in other region flight if no direct flight to Bangalore available.

I am attaching below the list of travelers from Karnataka who are looking for flight ASAP. Every one of us have different kind of issues, some have lost their job, some have medical and family issues, some have come on short business trip and stuck for more than 4 months.

From,

Shyam Valakatte
